

2024 NCL Prima Cruise Iceland to London with Mark Faldmo

June 13 – June 23, 2024 - Price Starts at \$2,258

I have escorted groups all over the world for more than 40 years and people often ask what my favorite destination is. My answer is that I don't have a favorite, but I do have a few select favorites and Scandinavia is high up on that list. I have traveled to Scandinavia many times and I find it to be among the most spectacularly beautiful geographic locations in the world. This remarkable cruise offers a unique Scandinavian itinerary including three ports in Iceland, the land of fire and ice, the ruggedly dynamic fjords of Norway, Amsterdam, known as the Venice of the North, Brussels and nearby Bruges, a place that lives and breathes history and takes you back in time to the Middle Ages. The cruise concludes in Southampton, England. A highlight of your cruise will be sailing on Norwegian Cruise Line's newest ship, the Prima. It is the first in a new class of ships designed to elevate every expectation.
